REESE & BOLT,

Twenty-five Per Cent

DISCOUNT SALE!

AS it has even been the custom of this Firm for years past to offer at this season their entire stock of CLOTHING, STRAW HATS and LOW CUT SHOES at a Discount of 25 Per Cent, we announce this sale began Monday, June 26, and will continue until August 1. To our many friends and customers this does not mean a "big blow" to attract unwary buyers, but it means an actual discount of 25 per cent from the original price. Our line of—

CLOTHING

Offers so many good features as regards fit, style and wear that we feel we can say without fear of successful contradiction that considering these qualities no such Clothing Bargains have ever been offered to the Clothing buyers of Anderson and the surrounding country.

\$5.00 Suits \$3.75.	\$7.50 Suits \$5.63.
\$10.00 Suits \$7.50.	\$12.50 Suits \$9.38.
\$15.00 Suits \$11.25.	\$18.00 Suits \$13.50.

Just at this season ODD TROUSERS are greatly in demand, and when you have such a large and well-selected line of exclusive patterns to choose from at prices of 25 per cent discount you cannot afford not to buy one or more pairs.

\$1.50 Trousers \$1.12 1-2.
\$2.00 Trousers \$1.50.
\$3.00 Trousers \$2.25.
\$3.50 Trousers \$2.36 1-2.

We have ever made it a rule never to carry over from one season to another any LOW CUT SHOES, and while our sales on OXFORDS have this season exceeded sales of previous seasons we can still show practically an unbroken line of sizes and styles.

We intend making this sale the largest and most successful of our many large and successful sales of this sort, and, if "seeing is believing," all we ask of you is to come and be convinced.

Terms of sale strictly cash.
Goods charged to responsible parties at regular prices.

Local News.

WEDNESDAY, AUG. 23, 1905.

D. S. Simpson, a prosperous farmer of Hopewell township, has sent to this office an unusual tract of nature consisting of the peculiar growth of a corn stalk. There is one large ear in the middle of the stalk with eight small ears clustered around it. But the most remarkable thing about its growth is found in the other two ears, sound and well formed, the one growing out near the top of the stalk and the other appearing within four inches of the tassel. There is a space of about five feet between the upper and lower ears.

The passenger was very fond of children, says the Philadelphia Record, and it was not long before he was sitting with the little girl on the seat in front. After awhile she came and sat on his lap. After he had shown the picture of his own little girl in the back of his watch, told her a fairy tale and bought her some of the new toys, the new boy, he inquired: "How old are you, Nellie?" With an alarmed glance at the conductor, she said: "I'll whisper it in your ear. I'm four and a half years old on the train, and six and a half every other place."

A series of meetings for young men have been inaugurated in the city which are held every Sunday afternoon in the Central Presbyterian church. The speaker for Sunday was Albert S. Johnston, now a student of the University of Virginia. The meetings take the place of the Young Men's Christian Association in the larger cities, being similar in purpose. Anderson is large enough to support a flourishing association, with gymnasium, reading room and bath rooms attached for the pleasure and convenience of the young men. Some one ought to take hold of the idea and see that an association is established.

The firm of Julius H. Weil & Co. will move to Columbia, S. C., to engage in the wholesale dry goods business. Mr. Weil has capital of his own, and in addition he is backed up by houses in the north which insure the stability of the undertaking. The firm will move into its new quarters about the middle of December. Mr. Weil has been prominently identified with the progressive business interests of the city for a number of years and his friends here regret to see him go away. It is understood that the business built up in Anderson will be retained.

Col. A. B. Andrews, the newly elected president of the Blue Ridge railroad, was in the city the first of the week looking after the interests of his road. Considerable importance was attached to his election in view of the fact that it was announced that the Southern would extend its connections across the mountains and thus give this city its long cherished route to the west. When asked about the extension Col. Andrews said that it was the purpose of the Southern to take up this great work, but he gave no definite news except to say that it would be done. Col. Andrews was formerly connected with the Blue Ridge during its construction prior to the war, and there are still some of the older citizens who remember him pleasantly.

Since the election of new officers of the Fire Department a great deal of new life is being injected into the department and everything is being done to bring the city's fire service to the highest point of efficiency. All of the old fire ordinances are to be reshaped and boiled down. This has been greatly needed and will be of great benefit to the firemen as well as the citizens. As things stand now the chief or none of the officers under him understand what their duties are or the authority they must exercise one way or the other. Mayor Sullivan has suggested that the Chief Assistant Chief and the Captains of the companies with the Chairman of the fire committee of the City Council get together in his office and amend the fire ordinances and this will be done at once.

The two-story residence of Mrs. Annie O'Donnell, on McDuffie street, was partially destroyed by fire Saturday night. The fire was discovered just before midnight bursting through the roof of the kitchen. The family had retired and the flames had gained considerable headway before some one passing by saw the burning building. The fire department promptly responded but it had considerable difficulty in extinguishing the flames. The main body of the building was greatly damaged. The house was fully covered by insurance, and Mrs. O'Donnell will probably lose nothing from damage to the building or to the furniture. Assistant Chief W. P. Nicholson and Fireman Owens McKinney fell through the roof of the burning building, but fortunately escaped with a few slight bruises. The fire is supposed to have originated from the rat and match theory.

Mr. Cochran Resigns as District Attorney.

E. F. Cochran, Esq., assistant United States District Attorney for South Carolina, has tendered his resignation to become effective the first of September. In resigning he has stated that he states that his growing law practice demands so much of his time that he finds it advisable to sever his connection with the District Attorney's office. Mr. Cochran was first appointed District Attorney during Harrison's administration, and again when McKinley came into the presidency he was given the position, which he has held continuously since. He enjoys the full confidence and esteem of the people of the city, who hope that in his party there will be higher honors in store for him. It is not known who will become his successor.

Farmers' Warehouse.

At a meeting of your committee in the interest of a Farmers' Warehouse it was unanimously adopted that we call a meeting of all who are interested for Monday, August 28th, at 11 o'clock a. m., and we deem it necessary at that meeting to elect Directors and pass by-law governing the formation of said warehouse. And only those who have stock will be entitled to vote for directors, and any one wishing to take stock can do with any of the undersigned committees.

Anderson, S. C., Aug. 21, 1905.

The Primary Election.

The primary election held yesterday to fill the vacancies in the Legislature caused by the resignation of Judge Geo. E. Prince brought out a light vote. The returns from the country boxes are slow coming in, but the results of the vote at Anderson and all the towns and precincts that could be reached by telephone is summed up as follows:

E. M. Rucker, Jr.	640
H. M. Prince	218
E. J. Kay	287
Total	1145

The vote given above includes 26 out of 49 boxes and all the large polls. On the face of these returns Mr. Rucker has a majority of 37 over his opponents, and if the same proportion keeps up he will be elected on the first ballot. It is probable, however, that the returns yet to come in will make a second race necessary between Mr. Rucker and Mr. Kay. The total vote of the county will be 3,000, or about one-third of its voting strength.

Death of James F. McFall.

James F. McFall died at his home four miles east of the city Monday night after a brief illness. He was stricken ten days ago with appendicitis, and an operation was performed Sunday in the hope of saving his life. Mr. McFall was a son of the late William McFall, and at the time of his death lived at the old home place. He was a young man of fine character and his influence was always exerted for the good in his community. His farming interests were extensive and very successful under his thrifty management. He was 35 years of age, married. He is survived by his mother, Mrs. Sarah McFall, two brothers, J. Swilling McFall and Henry M. McFall, of this county, and a sister, Mrs. Betty Blandy, of Greenville.

The funeral exercises were held at the residence yesterday afternoon at 4:30 o'clock. The interment was in the cemetery of the First Presbyterian Church by the side of his father and grandfather.

Sheriff and His Deputy Cut in Making Arrests at the Barbecue.

Sheriff Nelson R. Green and his Deputy, W. N. Scott, received slight cuts Wednesday afternoon at the Farmers' Barbecue while arresting four men for disorderly conduct at the dinner table. The men were A. J. Whitten, Young Richey, R. F. Richey and J. H. Richey, all of whom live in the Pendleton section of the county. They were lodged in jail after the difficulty, but they have been released on bond to appear at the next term of the Sessions Court.

Sheriff Green says that the young men were behaving in an unbecoming manner at the dinner table, and upon being asked to quiet them he went over where they were for that purpose. The oldest of the Richey brothers, it is said, interfered, and the sheriff ordered his deputy to take the man into custody. Some one drew a knife, and both the sheriff and his deputy were slightly cut in making the arrests. Their wounds were slight and in no sense of a serious nature. The sheriff had a narrow escape as the knife inflicted a shallow cut across the abdomen, and if it had gone deeper, serious results might have followed. The young men claim that the Deputy Sheriff struck one of the Richey boys with a stick before the knife was used. The matter will probably come up at the next term of court.

Anderson's First Bale.

The first bale of the new cotton crop was brought to the city Saturday by John C. Pruitt, of Savannah township. It weighed 685 pounds and was sold to Osborne & Pearson for 15 cents a pound, bringing the seller the neat sum of \$102.75. The first bale last year was sold on the 31st of August. The record of the first bale of the year since 1881.

Items from Holland's Store.

Cotton is thought to be cut off one-third by the recent dry spell. Bottom corn is much injured by the early rain. The meeting at Shiloh, which has been in progress, closed last night (Thursday), and will begin again Thursday night before the second Sunday in September. Rev. Clayton H. Harris, pastor of the First Baptist Church, did the preaching. Congregations good.

Miss Ruby McCorkle, of Atlanta, is visiting friends and relatives in the Lebanon community.

Miss Blanche Brown returned last week from an extended visit to relatives near Tamassee. Mr. H. N. Garrison and family came very near being drowned last Wednesday on returning from the farmers' picnic. They attempted crossing a small stream that had been much swollen by a recent rain. The water came up into the buggy, and the struggling horse broke a trace and could pull no further. Mr. Garrison had to get out in the water and carry his wife and children across, then wade back and mend the harness to get the horse and buggy out. Mr. Garrison lost his coat and a number of bundles in the stream.

Mrs. Tea Bolt and children of Lenoir, Ga., visited relatives in this section recently.
